

Estimado cliente:

Deseamos hacer de su conocimiento que existe ayuda en su comunidad al solicitar o renovar Florida KidCare y Medicaid.

Florida KidCare es un programa de seguro médico para niños desde el nacimiento hasta los 18 años de edad. A través de Florida KidCare, el estado de Florida ofrece seguro médico para niños, aún cuando uno o ambos padres trabajen. Algunos servicios que cubre son: visitas al médico, vacunas, exámenes de la vista, salud dental, salud mental, recetas, servicios de emergencia, y más. Los cuatro programas de Florida KidCare incluye: Medicaid, Medikids, Florida Healthy Kids, y Children's Medical Services. La elección depende de varios factores: la edad de su niño, el ingreso de los padres, y el número de personas en la familia, entre otros.

Si su familia necesita ayuda con su aplicación de Florida KidCare, podrían aprovechar la asistencia gratis ofrecida en su área. Estos locales comunitarios le pueden ayudar a Ud. a llenar su solicitud de beneficios.

Muy atentamente,

Dear Florida KidCare Applicant:

We would like to inform you of the opportunity for personal assistance with your Florida KidCare or Medicaid applications and renewals.

Through Florida KidCare, the state of Florida offers health insurance for children from birth through age 18, even if one or both parents are working. Some of the health services that Florida KidCare covers are: doctor visits, check-ups and vaccinations, hospital, surgery, prescriptions, emergencies, vision and hearing, dental, and mental health services.

The four programs of Florida KidCare include:

- **MEDIKIDS:** for children ages 1 through 4.
- **HEALTHY KIDS:** for children ages 5 through 18.
- **CHILDREN'S MEDICAL SERVICES NETWORK:** for children birth through 18 who have special health care needs.
- **MEDICAID:** for children birth through 18. A child who has other health insurance may still qualify for Medicaid.

When you apply, Florida KidCare will check your child's eligibility for each of these programs based on your family income, family size, child's age, and other factors.

If you would like assistance with your Florida KidCare application, please take advantage of the free services available in your area. These community partners offer application assistance by appointment:
